

# 2013 Registration

## Manta Rays Swim Team, Williamsburg Community Pool

Open to Pool Members 18 and under who are able to swim 25 meters

Please initial that you have read and understand the following information.

\_\_\_\_ In order to run a home meet we need to 70 volunteers. We all are busy and have outside commitments from swimming. To be fair to everyone, it is our policy that the parents of every swimmer must contribute to the running of the meet by helping out at both the home meets and the away meets.

\_\_\_\_ One adult from each family is required to be available to work at each meet. If you or another designated person is unable to work a shift at a meet, you must make arrangements to make up that shift at the next meet.

\_\_\_\_ We will have a VPSU Fundraiser and everyone is expected to participate.

\_\_\_\_ We would like to have your permission to post photographs of your swimmer(s) for media purposes. We will not post their full name or age.

### TEAM POOL WAIVER

**The swimmer(s) listed above have my permission to participate in home and away meets scheduled by the VPSU for the 2013 summer swim season. In consideration of the benefits to be derived, I expressly waive all claims against the Williamsburg Area Memorial Community Center Pool, their agents, or representatives on account of any accident, injury, illness, or other damage that may occur in connection with, or incident to, these swim meets. These swimmers are in good physical condition, unless I have stated otherwise on the reverse side of this form.**
